Employers and registered apprenticeship programs are required to have not only a skilled workforce, but a diverse and inclusive one. Yet, we often here industry stakeholders express frustration in recruiting the right candidate.

If you are an apprenticeship program, pre-apprenticeship training provider, employer, or other workforce practitioner, this webinar is for you. **Join us to learn how to improve your recruitment efforts and attract qualified candidates to your program.**

You will hear from industry experts and peers who have had success in employing creative solutions as they share with you best practices and resources to add to your toolkit! A Q & A session will follow the presentations.
